Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Students have the right to cancel their enrollment and obtain a refund of all charges paid through attendance at the first class, or the seventh (7th) day after enrollment, whichever is later, minus \$250 (non refundable registration fee). No refunds will be given after the completion of the sixth week (60%). See page 6 of this enrollment agreement for a description of these charges. If the student has received federal student financial aid program funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Refunds are calculated by subtracting what the student owes O.C.D.C. from what the student has paid. The amount owed to O.C.D.C. is calculated by multiplying the total hours attended by \$34/hr and then adding the \$250 non-refundable registration fee; subtract this sum from what you have already paid to reveal your refund. All withdrawal and refund requests must be sent to Dr. Eliades in writing and must include the following information: your full name, the program you are enrolled in, the term you are enrolled in and your reason for withdrawing. Requests to withdraw will not be accepted over the phone. Requests to withdraw must be emailed to dentalhand@gmail.com, faxed to 714.657.3704 or mailed to: OCDC 15541 Beach Blvd. Suite D, Westminster, CA 92683. All withdrawals from this course need to be received prior the date of:

Month _____ Day _____ Year 20 _____. No withdrawals will be accepted after this date. The student requesting, completing, signing and submitting to Dr. Eliades a "Withdrawal or Leave of Absence" form initiates the Refund procedure. The student will receive the "O.C.D.C. Confirmation of Withdrawal and Refund" document from Dr. Eliades within five (5) working days. The refund check will be issued within forty-five working days after Dr. Eliades receives the completed and signed "Withdrawal or Leave of Absence" form.

Example: Mary Brown paid O.C.D.C. \$925. Mary decides to withdraw after the first class and before the start of the second session. She requests, receives and submits a "Withdrawal or Leave of Absence" form. Mary will receive the "O.C.D.C. Confirmation of Withdrawal and Refund" document from Dr. Eliades within five (5) working days. Mary is sent a check for \$403 from Orange County Dental Careers; the check will be issued within forty-five working days after Dr. Eliades receives the completed and signed "Withdrawal or Leave of Absence" form from Mary.
