Refunds and Cancellations

A graduation certificate, letter of recommendation, and pin will only be awarded to those students attaining a 70% or above grade average. Those students whose grade average is below 70% will not receive a certificate but will be allowed to retake the entire course (if desired) at a reduced fee of \$1700. **A full refund** will be made of all deposits or payments if cancellation is made on or before the start of the first class, minus \$250.00(registration fee). **No** refunds will be given after the completion of the sixth session. Refunds are calculated by subtracting what the student owes O.C.D.C. from what the student has paid. The amount OWED to O.C.D.C. is calculated by multiplying the total hours attended(8 hors per session) by \$33/hr plus \$250.00(registration fee). Those wishing to cancel for illness or personal reasons may resume their course of study in the next class series with no penalty and may repeat the already completed sessions if desired. **Refund Example:** Mary Brown paid O.C.D.C. \$2895. Mary decides to withdraw after the first class and before the start of the second session. Mary is sent a check for \$2,381.00* from Orange County Dental Careers; the check will be issued within forty-five working days after receiving a written withdrawal notice from Mary. (* Minus 3% of any payments posted by credit cards)

The Student Tuition Recovery Fund (STRF) was established by the legislature to protect any California resident who attends a private postsecondary institution from losing money if you prepaid tuition and suffered a financial loss as a result of the school closing, failing to live up to its enrollment agreement, or refusing to pay a court judgment.

To be eligible for STRF, you must be a “California resident” and reside in California at the time the enrollment agreement is signed or when you receive lessons at a California mailing address from an approved institution offering correspondence instruction. Students who are temporarily residing in California for the sole purpose of pursuing an education, specifically those who hold students visas, are not considered a “California resident”

To qualify for STRF reimbursement you must file a STRF application within one year of receiving notice from the Bureau that the school is closed. If you do not receive notice from the Bureau, you have four years from the date of closure to file a STRF application. If a judgment is obtained you must file a STRF application within two years of the final judgment.

It is important that you keep copies of the enrollment agreement, financial aid papers, receipts or any other information that documents the monies paid to the school. Questions regarding the STRF may be directed to the BUREAU for Private Postsecondary Education @ the **Department of Consumer Affairs** by e-mail at: dca.ca.gov
